THE OFFICIAL LETTER REGARDING SPONSORSHIP OF THE RELICS STUPA OF URGEN TARA

Following the advice of our most compassionate teacher and Spiritual Director, H.E. Khenchen Lama Rinpoche, our monastery will be responsible for the collection of all donations for the holy project of building the Relics Stupa of Urgen Tara, Rinpoche's holy mother, who passed into great Nirvana on January 30th this year in Wales.

The Relics Stupa will be built in Wales on the grounds of Khenchen Lama Rinpoche's Kalachakra Clear Light Retreat Centre, as instructed by Lama Urgen Tara before she passed away, therefore this project is very special and very dear to Rinpoche.

Awam Gesar Monastery (AGM) in Slovenia will be the sole official collector of donations to support this holy project. Anyone interested in supporting the building of the Relics Stupa, which will bring many profound blessings to Kalachakra Clear Light Retreat Centre and to the world, you can find the bank information below. Our heartfelt thanks for your generous support.

If you decide to offer a donation, please contact us at this e-address, and send us your information, so that we can issue a receipt: **office@gesar.si**
